## **Weather:**

Weather plays a big factor in fishing on Lake Ontario. Safety is our main concern. We stay updated on current weather forecasts and communicate these reports to our charters. Sometimes these reports are not accurate so trips may be "game time" at the dock decisions. We will not fish in threatening weather which includes: thunderstorms, torrential rains, water spouts or rough seas. The captain's decision is final. Stay linked to current marine forecasts by visiting the National Weather Service/ Open Lake Ontario Forecast @ [weather.noaa.gov/pub/data/raw/fz/fzus61.kbuf.glf.lo.txt](http://weather.noaa.gov/pub/data/raw/fz/fzus61.kbuf.glf.lo.txt)  
If weather forces us to cancel a charter, we will work with the crew for a replacement date that fits all schedules. If a date can not be re-scheduled a full refund will be returned.

## **Special Considerations:**

Feel free to ask any questions when prepping for your trip. Derby fishing opportunities, Delayed starting times, Handicapped Anglers, Birthday or Gift Certificates, Multi-Boat Trips, Executive Trips, Corporate Outings, Catered Lunch Menu's, Bachelor/Bachelorette Parties or other customized trip considerations can be addressed. **Just call Capt. Tony @ (216) 570-3169**
